

Norwegian Locomotive Trust

(Registered Charity No.292179)

Patron: His Excellency The Norwegian Ambassador

Dear Sir/Madam

Thank you for your interest in becoming a member of the 376 Club and the Norwegian Locomotive Trust. As a Registered Charity we do not receive any Government funding to maintain and preserve this historic locomotive. Therefore, we rely solely on membership and donations to raise funds to support the ongoing work on the locomotive.

Although No.376 is currently in operational condition on the K&ESR the Trust is actively fundraising prior to the engines next overhaul. The locomotive is now in its 100th birthday year and inspection work on the engine has revealed that both cylinders will likely require replacement and significant (or possibly complete replacement) of the boiler will also be required.

To help towards the costs of the next overhaul the Norwegian Loco Trust have launched the **376 Club**. By becoming a member of the 376 club you not only support the locomotive and help provide for its future but will also receive:

- A3 print of Norwegian by railway artist Jonathan Clay
- A4 print of the General Arrangement Drawing
- Life membership of the Norwegian Locomotive Trust (after donating £100)
- Invitation to events celebrating the engines 100th anniversary.
- Opportunity to acquire Trust merchandise before it goes on general sale.

Membership is by standing order of £10 per month, which is the equivalent to one large posh coffee in Tenterden High Street a week. With a regular income stream the Trust can continue its work supporting the locomotive allowing it to continue working trains on the Kent and East Sussex Railway.

We hope you can support 'Norwegian' by joining us.

Yours faithfully,

The Norwegian Locomotive Trust Trustees

Gift Aid enables the Trust to claim back income tax from HMRC. For example if you donate £10, the Trust could claim an additional £2.50, making your contribution worth £12.50.

To enable us to claim **Gift Aid** please complete the following declaration:
